Susie Simon® Patient Care Simulator without Ostomy (1017535 [W45010] / S200.M)

This adult manikin (14 kg) provides practice in a wide range of skills from basic nursing through advanced nursing and clinical care.

Full range of movement and realistic detail. Fully moveable neck, arms, and legs, with soft skin of the feet, fingers, and toes for added realism. A movable jaw with tongue and removable dentures support oral hygiene training.

Comprehensive access points for a full range of procedures. Interchangeable external genital

organs allow female and male catheterization, alongside oral, nasal, optic, tracheotomy, and gastrostomy openings, plus transverse colostomy, ileostomy, and suprapubic stomas.

Detachable at the waist for easy storage.

Meets all OBRA requirements.

Comes supplied with a neck brace.

Part of a five-model comparison family alongside the with-ostomy Susie Simon® variant, Simple Simon® (female and male versions), and the 3B Scientific® Patient Care Manikin PRO — each offering different combinations of ostomy care, wound simulation, tracheotomy, and enema/catheterization capability.

Why Buy from SEM Trainers? SEM Trainers & Systems has over 30 years of experience supplying medical education resources to 1,500+ institutions across 28 states. We provide pan-India delivery and dedicated after-sales support.

Frequently Asked Questions

Q: What's the difference between this and the "with ostomy" version? A: This version doesn't include the sculpted stomas or vaginal douching/pap smear features found on the with-ostomy variant.

Q: Does this meet nursing training program requirements? A: Yes — it meets OBRA requirements.
