To unlock these benefits, simply scan the label located on your model and register online. All 3B Smart Anatomy features are **completely free of charge** for you. Click here to learn more.

This high quality anatomical replica of the human atlas and axis with the occipital plate is wire mounted together on a removable stand. This human skeleton replica is great for detailed studies of these bones. The atlas and axis with the occipital plate is a great addition to a doctor's office or anatomy classroom. High anatomical quality at an affordable price!
