Ulcerated Foot (1019238 [W45016] / S265)

The Ulcerated Foot (Item No. 1019238 [W45016], MPN S265) is an optional accessory foot compatible with the Susie Simon® Patient Care Simulator line — including the without-ostomy version (W45010 / Item 1017535 / S206.M) and the with-ostomy version (W45011 / Item 1005785 / S200.M).

Adds realistic foot pathology to existing simulators. This accessory lets institutions add ulcerated foot assessment training to a Susie Simon® manikin they already own, without needing a separate full-body simulator.
