This Deluxe torso is identical to the [B30 torso](#) but has African features. The 3B Scientific Deluxe Torso offers all possibilities you need for detailed demonstrations in human anatomy and other study subjects. With this human torso model you receive 100% quality and a high standard of detailed manufacturing. The quality of this advanced torso version is impressive, just like the price! Use this human torso model to answer all questions on internal human anatomy you ever had. The torso contains these removable parts and organs:

- 3-part head
- 2-part stomach
- Female chest wall
- 2 lungs
- 2-part heart
- Liver with gall bladder
- 4-part intestinal tract
- Front half of kidney
- 4-part male genital insert
- 3-part female genital insert with fetus

This deluxe torso is complete as a tool for human anatomy education with the 3B Torso Guide. All the organs in this human torso are hand painted for a quality product. This is a great human anatomy

educational tool that makes learning the location of the human organs very easy.
