The 3B Scientific Deluxe Torso offers all possibilities you need for detailed demonstrations in human anatomy and other study subjects. With this human torso model you receive 100% quality and a high standard of detailed manufacturing. The quality of this advanced torso version is impressive, just like the price! Use it to answer all questions on internal human anatomy you ever had.

The human torso model contains these removable parts and organs:

- 3-part head
- 2-part stomach
- Female chest wall
- 2 lungs
- 2-part heart
- Liver with gall bladder
- 4-part intestinal tract
- Front half of kidney
- 4-part male genital insert
- 3-part female genital insert with fetus

All the organs in this human torso are hand painted for a quality product. This great human anatomy educational tool makes learning the location of the human organs easy. It is also supplied with the 3B Torso Guide.
