This human mini torso is approximately half life-size. Even small hands can quickly disassemble and assemble this small but detailed torso. This high quality mini replica of human anatomy has the following removable parts and organs:

- 2-head halves
- Brain half
- 2 lungs
- 2-part heart
- Stomach
- Liver with gall bladder
- 2-part intestinal tract

If you want quality on a budget this mini torso model is for you, great for teaching and learning about human anatomy. All the organs in this human torso are hand painted for a quality product. This great human anatomy educational tool and makes learning the location of the human organs easy. It is also supplied with the 3B Torso Guide.
