TIP: You will also receive access to a **free 3-day trial to all premium features** of the Complete Anatomy app when you sign up for your 3B Smart Anatomy course.

To unlock these benefits, simply scan the label located on your model and register online. All 3B Smart Anatomy features are **completely free of charge** for you. Click here to learn more.

A very detailed model of the human brain which is medially divided. Both halves of this brain can be disassembled into:

- Frontal with parietal lobes
- Temporal with occipital lobes
- Half of brain stem
- Half of cerebellum

This brain is a great educational tool for teaching and learning about the human nervous system and anatomy of the brain. The detailed brain is delivered on a removable base for easy display in the classroom.
