To unlock these benefits, simply scan the label located on your model and register online. All 3B Smart Anatomy features are **completely free of charge** for you. [Click here](#) to learn more.

The kidney section is a colorful and anatomically accurate model. The human anatomy model depicts a longitudinal section of the right kidney. All important structures of the human kidney for student and patient education are shown in this kidney section model. The kidney is three times life size. The kidney section model comes with a users manual. Human kidney mounted on baseboard.
