Handpainted to simulate the appearance of actual tissue, these five 3-D prostate models represent a normal prostate, benign prostatic hyperplasia, early cancer, cancer in a hyperplastic prostate, and late invasive cancer. Graphically emphasizes the need for regular prostate exams. Comes with protective felt cover. 9" x 12".

Why Prostate Exams Can Save Your Life Easel Display for Clinical Education in India

The Why Prostate Exams Can Save Your Life Easel Display (Item No. 1018294 [W43128], Brand: WRS Group) presents five hand-painted, 3-D prostate models that simulate the appearance of actual tissue: a normal prostate, benign prostatic hyperplasia, early cancer, cancer within a hyperplastic prostate, and late invasive cancer.

Displayed together on an easel, the five-model progression graphically illustrates the case for regular prostate examinations by letting trainees and patients see and compare healthy versus diseased tissue side by side. The display comes with a protective felt cover for storage between uses.

Specifications: Easel size 9' x 12'. [DIMENSIONS FIELD ON SITE SHOWS 0x0x0 — NEEDS CORRECTION TO 9' x 12' BEFORE PUBLISHING]

Why Buy from SEM Trainers? SEM Trainers & Systems has supplied medical simulation and health education equipment to 1,500+ institutions across 28 Indian states for over 30 years, with pan-India delivery and dedicated after-sales support.
