Product Description

This colorful anatomical chart displays both the gross and microanatomy of bones effected by osteoporosis as well as the gross anatomy. The causes, prevention, and treatment of osteoporosis as well as other useful information are included on this anatomy poster. Printed on premium glossy (200g) paper. Convenient Poster size 50x67cm (20x26").

Osteoporosis Chart (VR1121UU) — Gross & Microanatomy, Causes, Prevention & Treatment

The Osteoporosis Chart (Item No. 4006653 [VR1121UU], 0.075 kg) by 3B Scientific, Germany is a colorful anatomical chart displaying both the gross and microanatomy of bones affected by osteoporosis, giving students a clear visual reference for how the condition changes bone structure.

Covers the full clinical picture, not just anatomy. Alongside the anatomical illustrations, the chart includes the causes, prevention, and treatment of osteoporosis along with other useful information — making it a complete teaching and patient-education resource in one poster.

Built for classroom and clinic durability. Printed on premium glossy 200g paper at a convenient 50 × 67 cm (20 × 26") poster size, suited for wall display in classrooms, clinics, or patient education areas.

Why Buy from SEM Trainers? SEM Trainers & Systems is an authorised distributor of 3B Scientific products in India with over 30 years of experience supplying medical education resources to 1,500+ institutions across 28 states. We provide pan-India delivery and dedicated after-sales support.

Frequently Asked Questions

Q: What does this chart cover? A: Gross and microanatomy of osteoporotic bone, plus causes, prevention, and treatment information.

Q: What size is the chart? A: 50 × 67 cm (20 × 26"), printed on premium glossy 200g paper.

Q: Is this a companion piece to the Arthritis Chart? A: Yes — both are part of the same 3B Scientific chart series and pair well for a combined arthritis and osteoporosis education display.
