Product Description

The colorful anatomy chart illustrates the anatomy of asthma. Treatment and triggers of asthma are also presented on this anatomy poster. Printed on premium glossy (200g) paper. Convenient Poster size 50x67cm (20x26").

Asthma Chart (VR1328UU) — Anatomy, Triggers & Treatment Teaching Poster

The Asthma Chart (Item No. 4006677 [VR1328UU], 0.075 kg) by 3B Scientific, Germany is a colorful anatomy chart illustrating the anatomy of asthma, giving students and patients a clear visual reference for how the condition affects the airways.

Covers the full clinical picture, not just anatomy. Alongside the anatomical illustrations, the chart

presents asthma treatment and triggers — making it a practical teaching and patient-education tool that connects the underlying anatomy to real-world management, rather than anatomy in isolation.

Built for classroom and clinic durability. Printed on premium glossy 200g paper at a convenient 50 × 67 cm (20 × 26") poster size, suited for wall display in classrooms, clinics, or patient education areas.

Why Buy from SEM Trainers? SEM Trainers & Systems is an authorised distributor of 3B Scientific products in India with over 30 years of experience supplying medical education resources to 1,500+ institutions across 28 states. We provide pan-India delivery and dedicated after-sales support.

Frequently Asked Questions

Q: What does this chart cover? A: The anatomy of asthma, along with common triggers and treatment approaches.

Q: What size is the chart? A: 50 × 67 cm (20 × 26"), printed on premium glossy 200g paper.

Q: Does this pair well with other respiratory education materials? A: Yes — it complements the companion Allergies Chart for a combined asthma and allergy education display.
