Product Description

This colorful anatomical chart covers the anatomy, pathology, and self-examination of the human female breast. The anatomy of breast pathology is shown along with useful information about different types of breast lumps that can occur. The self-examination illustrations are accompanied with detailed written instructions. This anatomy chart is a great teaching tool! Printed on premium glossy (200g) paper. The poster comes in a convenient Poster size 50x67cm (20x26").

The Female Breast Chart — Anatomy, Pathology and Self-Examination (VR1556UU)

The Female Breast Chart (Item No. 4006705 [VR1556UU], 0.075 kg) by 3B Scientific, Germany is a colorful anatomical chart covering the anatomy, pathology, and self-examination of the human female

breast in a single comprehensive teaching resource.

Pathology and self-exam guidance in one place. The chart shows the anatomy of breast pathology along with useful information about the different types of breast lumps that can occur, and pairs its self-examination illustrations with detailed written instructions — giving viewers both the "what to look for" and the "how to check" in one resource.

Built for classroom and clinic durability. Printed on premium glossy 200g paper at a convenient 50 × 67 cm (20 × 26") poster size, suited for wall display in classrooms, clinics, or patient education areas.
