- The 3B Smart Anatomy course includes **23 digital anatomy lectures**, 117 different virtual anatomy models and 39 anatomy quizzes to test your knowledge
- Bonus: **FREE warranty upgrade from 3 to 5 years** with every product registration

Female Pelvis Skeleton Model, 3-Part (3B Scientific) for Women's Health Education in India

The Female Pelvis Skeleton Model, 3-Part (Item No. 1000285 [H20/1], Brand: 3B Scientific) is a life-size, original cast of a bony female pelvis, showing two hip bones, the pubic symphysis, the sacrum and coccyx, and the fifth lumbar vertebra with intervertebral disc.

A midsagittal section through the fifth lumbar vertebra, sacrum, and coccyx allows both halves of the pelvis to be disassembled, revealing part of the cauda equina within the vertebral canal — the left half of the fifth lumbar vertebral body is removable for closer examination. This bare-skeleton version is well suited for foundational pelvic anatomy teaching, with two more detailed models in the same series (with ligaments, and with ligaments plus muscles and organs) available for programs requiring greater anatomical depth.

Includes free access to 3B Smart Anatomy: 23 digital anatomy lectures, 117 virtual anatomy models, and 39 quizzes via the Complete Anatomy app, plus a warranty upgrade from 3 to 5 years on product registration.

Specifications: Dimensions 19 x 27 x 19cm. Weight 1.38kg.

Why Buy from SEM Trainers? SEM Trainers & Systems is an authorized distributor of 3B Scientific products in India with over 30 years of experience supplying anatomical models and women's health education equipment to 1,500+ institutions across 28 states. We provide pan-India delivery and dedicated after-sales support.

FAQ

Q: What structures does this model show? A: Two hip bones, the pubic symphysis, the sacrum and coccyx, and the fifth lumbar vertebra with intervertebral disc.

Q: Are more detailed versions of this model available? A: Yes — versions with pelvic ligaments, and with ligaments plus pelvic floor muscles and organs, are available for programs needing greater anatomical detail.

Q: How do I order from SEM Trainers? A: Contact sem@semtrainers.com or call +91-88495 63724 for pricing and availability.

TIP: You will also receive access to a **free 3-day trial to all premium features** of the Complete Anatomy app when you sign up for your 3B Smart Anatomy course. To unlock these benefits, simply scan the label located on your model and register online. All 3B Smart Anatomy features are **completely free of charge** for you. Click here to learn more. This life size three part model represents an original cast of a bony female pelvis and shows all the details of the following anatomical structures: Two hip bones, the pubic symphysis, the sacrum and the coccyx, the fifth lumbar vertebra with intervertebral disc. A midsagital section through the fifth lumbar vertebra, sacrum and coccyx, allow both halves of the pelvis to be disassembled revealing a part of the cauda equina in the vertebral canal. The left half of the fifth lumbar vertebral body is removable. 3B Smart Anatomy explained in 90 seconds:
