Categories: Sex Education

Product Description

This anatomically accurate model represents a section of the uterus, ovaries and fimbrae. The uterus is covered by a clear plastic window to allows easy visualization of insertion and placement of I.U.D. (I.U.D. not included).

I.U.D. Trainer for Reproductive Health Education in India

The I.U.D. Trainer (Item No. 1005825 [W45152]) [BRAND: NOT LISTED — CONFIRM BEFORE PUBLISHING] is an anatomically accurate model of a section of the uterus, ovaries, and fimbriae.

The uterus is covered by a clear plastic window, letting trainees see IUD insertion and placement directly rather than working from description alone — a meaningful advantage for teaching a procedure

that's normally entirely internal and invisible. IUD not included.

Specifications: Weight 0.545kg. [DIMENSIONS NOT AVAILABLE ON SITE — NEEDS SOURCING]

Why Buy from SEM Trainers? SEM Trainers & Systems has supplied medical simulation and sex/reproductive health education equipment to 1,500+ institutions across 28 Indian states for over 30 years, with pan-India delivery and dedicated after-sales support.

FAQ

Q: What does the clear plastic window show? A: Direct visualization of IUD insertion and placement within the uterus.

Q: Is an IUD included with the model? A: No — the IUD device itself is not included.

Q: How do I order from SEM Trainers? A: Contact sem@semtrainers.com or call +91-88495 63724 for pricing and availability.
