## Product Description

This 3D display shows how organs and body parts can be affected by sexually transmitted diseases. Each hand-painted model is described in easy-to-understand terms. The durable carrying case and easy set-up make this display ideal for clinics and sex education programs. 71 x 69 cm opened.

### The Consequences of STDs – 3D Display for Sex Education in India

The Consequences of STDs – 3D Display (Item No. 1018280 [W43089], Brand: WRS Group) shows how organs and body parts can be affected by sexually transmitted diseases, using hand-painted models described in easy-to-understand terms.

The visual, hands-on format makes clinical consequences concrete and immediate rather than abstract — a genuinely effective teaching approach for topics students and patients often find hard to fully grasp from text alone. The durable carrying case and simple set-up make it a practical fit for clinics and sex education programs alike, opening to 71 x 69cm.

**Specifications:** 71 x 69cm opened. Weight 6kg. [DIMENSIONS FIELD ON SITE SHOWS 0x0x0 — NEEDS CORRECTION BEFORE PUBLISHING]

**Why Buy from SEM Trainers?** SEM Trainers & Systems has supplied medical simulation and sex education equipment to 1,500+ institutions across 28 Indian states for over 30 years, with pan-India delivery and dedicated after-sales support.

## FAQ

Q: What does this display show? A: How different organs and body parts can be affected by sexually transmitted diseases, using hand-painted models with easy-to-understand descriptions.

Q: Is this suitable for clinics as well as classrooms? A: Yes — the durable carrying case and quick set-up make it practical for both clinical and educational settings.

Q: How do I order from SEM Trainers? A: Contact [sem@semtrainers.com](mailto:sem@semtrainers.com) or call +91-88495 63724 for pricing and availability.
