Product Description

This female contraceptive model, made from soft BIOlike™ material, provides a cross-section of a female pelvis for demonstrating proper contraceptive insertion. The side cutout lets viewers see and understand contraceptive placement and removal from the female genitals. Great tool for sex education! (Contraceptives not included) 15x8x9 cm

Female Pelvis Contraceptive Model for Sex Education in India

The Female Pelvis Contraceptive Model (Item No. 1017935 [W43079], Brand: WRS Group) is made from soft BIOlike™ material and shows a cross-section of the female pelvis for demonstrating proper contraceptive insertion.

The side cutout gives trainees a clear, direct view of contraceptive placement and removal within the female genitals — turning an internal, hard-to-visualize process into something students can see and understand step by step. A compact, practical addition to any sex education toolkit. (Contraceptives not included.)

Specifications: Dimensions 15 x 8 x 9cm. Weight 0.686kg.

Why Buy from SEM Trainers? SEM Trainers & Systems has supplied medical simulation and sex education equipment to 1,500+ institutions across 28 Indian states for over 30 years, with pan-India delivery and dedicated after-sales support.

FAQ

Q: What does the side cutout show? A: A clear cross-sectional view of contraceptive placement and removal within the female genitals.

Q: Are contraceptives included with the model? A: No — contraceptives are not included.

Q: How do I order from SEM Trainers? A: Contact sem@semtrainers.com or call +91-88495 63724 for pricing and availability.
