Product Description

This economic set consists of 20 Styrofoam penis models, and provides a means of practicing the correct use of condoms, even in large groups. The reusable models can be fixed to the desktop with adhesive tape, so that both hands are free for rolling the condom into position. Great for sex education! Delivered without condoms. Why Choose the Condom Training Models 2 for Your Simulation Lab in India? The Condom Training Models 2 from 3B Scientific is a trusted training tool used across simulation labs in India for hands-on condom training practice. This simulator helps medical students and healthcare professionals build critical competencies in a safe, controlled environment — fully aligned with community health education objectives under National Health Mission and NMC public health curriculum. Who Is This Simulator Ideal For? This product is recommended for community health centers, medical colleges, public health programs, NGOs working in reproductive health, and government health awareness campaigns. Whether you are setting up a new simulation lab or upgrading your existing facility, the Condom Training Models 2 offers an excellent balance of realism,

durability, and training value. Why Buy from SEM Trainers? SEM Trainers is a leading supplier of medical manikins and simulators across India. Authorized 3B Scientific distributor in India. We provide complete support including pan-India delivery, on-site installation, faculty training workshops, and prompt after-sales maintenance. All our products carry genuine manufacturer warranty and meet ISO 9001 quality standards. Frequently Asked Questions Q: Is the Condom Training Models 2 compliant with NMC simulation lab requirements? A: Yes, this simulator supports the skill-based training competencies specified under NMC's CBME framework for Indian medical and nursing institutions. Q: Does SEM Trainers provide installation and training support? A: Absolutely. We offer on-site installation, hands-on demo sessions, and faculty orientation workshops for every product delivered, anywhere in India. Q: What is the warranty and how do I get support?
