## Product Description

Present the full spectrum of birth control choices with this 3-D exhibit! Contraceptives and hand-painted anatomical models are mounted in an attractive carrying case with fold-out information panels that give the facts about various birth-control methods. Great for schools, clinics, or medical offices, the display measures 74 x 51 cm when open, and is designed to sit on any tabletop surface. Stand alone panels are 30,5 x 44,5 cm each. Reproducible handout included.

### Display of Contraceptives for Sex & Family Planning Education in India

The Display of Contraceptives (Item No. 1017851) [BRAND: NOT LISTED — CONFIRM BEFORE PUBLISHING] presents the full spectrum of birth control choices in a single 3-D exhibit.

Real contraceptives and hand-painted anatomical models are mounted in an attractive carrying case with fold-out information panels covering the facts on each birth control method — well suited for schools, clinics, or medical offices. The display measures 74 x 51cm when open and sits comfortably on any tabletop surface, with standalone panels at 30.5 x 44.5cm each. A reproducible handout is included for take-home reinforcement or classroom distribution.

**Specifications:** Open size 74 x 51cm. Panel size 30.5 x 44.5cm each. Weight 0.99kg. [DIMENSIONS FIELD ON SITE IS MISSING — NEEDS ADDING BEFORE PUBLISHING]

**Why Buy from SEM Trainers?** SEM Trainers & Systems has supplied medical simulation and sex/family planning education equipment to 1,500+ institutions across 28 Indian states for over 30 years, with pan-India delivery and dedicated after-sales support.
