Categories: Sex Education

Product Description

This model of an erect penis with testicles is used to learn how to use a condom safely. The anatomical structures and its firmness are absolutely realistic, so that your students can train putting on and removing a condom in a realistic way. Supplied with 12 dry training condoms and a carrying bag. This model is great for sex education!

Condom Training Model, White Skin Tone (3B Scientific) for Sex Education in India

The Condom Training Model, White Skin Tone (Item No. 1000340 [L42], Brand: 3B Scientific) is a realistic model designed specifically to teach correct, safe condom use.

The anatomical structures and firmness are built to feel genuinely realistic, letting trainees practice

putting on and removing a condom the way they would in real use — a hands-on skill that's far more effective to teach through practice than description alone. Comes complete with 12 dry training condoms and a carrying bag for storage and reuse across multiple training sessions.

Specifications: Dimensions 7.5 x 7.5 x 19.5cm. Weight 0.683kg.

Why Buy from SEM Trainers? SEM Trainers & Systems is an authorized distributor of 3B Scientific products in India with over 30 years of experience supplying anatomical models and sex education equipment to 1,500+ institutions across 28 states. We provide pan-India delivery and dedicated after-sales support.

FAQ

Q: What's included with the model? A: 12 dry training condoms and a carrying bag.

Q: Is the model realistic enough for genuine skill practice? A: Yes — the anatomical structure and firmness are designed to closely match real conditions for realistic condom application practice.

Q: How do I order from SEM Trainers? A: Contact sem@semtrainers.com or call +91-88495 63724 for pricing and availability.
