Product Description

A combination of colorful art and clear explanations about the advantages of aerobic exercise and strength training make this folding display an ideal teaching tool. Also included are ways to work exercise into daily life, a discussion of exercise benefits for all ages, and information on exercise safety. 58" x 22 ½" opened. **Exercise Facts Folding Display (W43146) — Aerobic & Strength Training Benefits Teaching Tool**

The Exercise Facts Folding Display (Item No. 1018299 [W43146]) by WRS Group combines colorful art with clear explanations about the advantages of aerobic exercise and strength training, making it an ideal teaching tool for exercise and fitness education.

Practical, actionable content beyond the basics. Alongside exercise benefits, the display includes

ways to work exercise into daily life, a discussion of exercise benefits for all ages, and information on exercise safety — giving viewers not just the "why" but the practical "how" of building physical activity into everyday routines.

Large format for group presentations. Opening to 58" × 22½", the display is sized for visibility during group education sessions, health fairs, or classroom presentations, while folding down for easy storage and transport between uses.

Why Buy from SEM Trainers? SEM Trainers & Systems has over 30 years of experience supplying medical education resources to 1,500+ institutions across 28 states. We provide pan-India delivery and dedicated after-sales support.
