Product Description

Prostate Model, 1/2 Natural Size (3B Scientific) — Anatomy Teaching Model for India

The Prostate Model, 1/2 Natural Size (Item No. 1000319 [K41], Brand: 3B Scientific) shows a cross-section of the male pelvic anatomy at half natural size, including a healthy prostate alongside the bladder, urethra, testicle, symphysis, and rectum. Four cross-sectional views on the model's base make visible how prostate changes narrow the urethra — a key teaching point for urology and general anatomy instruction. Anatomical structures use simple schematic coloring for clear identification. The model is mounted on a display base.

Includes free access to 3B Smart Anatomy: 23 digital anatomy lectures, 117 virtual anatomy models, and 39 quizzes via the Complete Anatomy app, plus a warranty upgrade from 3 to 5 years on product registration.

Specifications: Dimensions 13.5 x 10 x 14cm. Weight 0.4kg.

Why Buy from SEM Trainers? SEM Trainers & Systems is an authorized distributor of 3B Scientific products in India with over 30 years of experience supplying anatomical models and clinical teaching equipment to 1,500+ institutions across 28 states. We provide pan-India delivery and dedicated after-sales support.

FAQ

Q: What does this prostate model demonstrate? A: A cross-section of male pelvic anatomy showing the prostate, bladder, urethra, testicle, symphysis, and rectum, with four cross-sectional views showing how prostate enlargement narrows the urethra.

Q: What's included with the 3B Smart Anatomy registration? A: Free access to 23 lectures, 117 virtual models, and 39 quizzes in the Complete Anatomy app, plus an extended 5-year warranty.

Q: How do I order from SEM Trainers? A: Contact sem@semtrainers.com or call +91-88495 63724 for pricing and availability.
