Categories: Pediatric Patient Care

Product Description

This manikin of a 5-year old is ideal for training pediatric patient and nursing care as well as CPR. Its realistic face skin and molded hair, the articulating joints, and realistic hands and feet make for an impressive training experience. **Features:**

- Soft, lifelike faceskin with molded hair
- Eyes open and close in realistic eyesockets for ophthalmic procedures
- Articulating head, jaw, arms, and legs
- Jointed elbow, wrist, knees, and ankles
- Realistic hands, feet, fingers and toes
- Soft upper body skin over realistic molded internal organs
- Realistic chest cavity, with realistic internal organs for unparalleled CPR performance

- Detachable at waist for easy storage
- Bathing and bandaging activity
- Place nasal and oral gastric tubes
- Lavage/gavage
- G-tube placement
- Stomas for ileostomy, colostomy, and suprapubic exercises
- Removable internal tanks
- Interchangeable male organ
- Male and female catheterization
- Enema administration
- Placement of rectal suppositories
- Intramuscular injection sites in deltoid & upper thigh

Emergency Care Features

- Oral, nasal, and digital intubation
- Place OP/NP tubes
- Right/left mainstem bronchi
- Suctioning
- BVM
- Chest compression/rise
- Intraosseous infusion
- IV arm with variable, palpable pulses

Supplied with

- T-shirt and shorts
- Soft carrying bag
- Instruction manual

Confirmed as predicted — the same competitor-linked comparison table with all five a3bs.com hyperlinks appears again on this page. Same fix applies: I've stripped all the links below. This confirms it's a shared/reused content block across the whole Pediatric Patient Care category — worth checking every product in this category for the same table.

Multipurpose Patients/Emergency Pediatric Simulator — 5-Year-Old for Pediatric Nursing & Emergency Skills Training in India

Why Buy from SEM Trainers? SEM Trainers & Systems has over 30 years of experience supplying pediatric nursing and emergency care training equipment to 1,500+ institutions across 28 Indian states, with pan-India delivery and dedicated after-sales support.

FAQ Q: What sets this apart from the other pediatric simulators in the range? **A:** It's the only one with a realistic chest cavity for CPR, full emergency intubation and airway management capability, and IO/IV access — designed for combined nursing and emergency training rather than nursing care alone.

Q: How do I order from SEM Trainers? **A:** Contact sem@semtrainers.com or call +91-88495 63724 for pricing and availability.
