Confirm proper placement of endotracheal tube	Inflation of lung indicates proper placement	Inflation of lung indicates proper placement	no	Inflation of lung indicates proper placement
Simulation features	<ul style="list-style-type: none"> Allows for an adult as well as pediatric cricothyrotomy Includes adult and 3-year-old tracheas 	<ul style="list-style-type: none"> Neck skin can be rotated on the model allowing up to 20 incisions Larynx insert allows 1 surgical cricothyroidotomy and 3 tracheostomy procedures 	<ul style="list-style-type: none"> Up to 36 incisions on each unit Up to 18 mini tracheostomies 	<ul style="list-style-type: none"> Assessment of styled and obturator placement (replaceable trachea)

Why Choose the Deluxe Cricothyrotomy Simulator for Your Simulation Lab in India? The Deluxe Cricothyrotomy Simulator from TruCorp is a trusted training tool used across simulation labs in India for hands-on cricothyrotomy practice. This simulator helps medical students and healthcare professionals build critical competencies in a safe, controlled environment — fully aligned with NMC's competency-based requirements for airway management skills in anesthesiology and emergency medicine. **Who Is This Simulator Ideal For?** This product is recommended for anesthesia departments, emergency medicine residency programs, paramedic training institutes, and hospitals conducting ACLS/BLS certification courses. Whether you are setting up a new simulation lab or upgrading your existing facility, the Deluxe Cricothyrotomy Simulator offers an excellent balance of realism, durability, and training value. **Why Buy from SEM Trainers?** SEM Trainers is a leading supplier of medical manikins and simulators across India. Authorized TruCorp distributor in India. We provide complete support including pan-India delivery, on-site installation, faculty training workshops, and prompt after-sales maintenance. All our products carry genuine manufacturer warranty and meet ISO 9001 quality standards. **Frequently Asked Questions** Q: Is the Deluxe Cricothyrotomy Simulator compliant with NMC simulation lab requirements? A: Yes, this simulator supports the skill-based training competencies specified under NMC's CBME framework for Indian medical and nursing institutions. Q: Does SEM Trainers provide installation and training support? A: Absolutely. We offer on-site installation, hands-on demo sessions, and faculty orientation workshops for every product delivered, anywhere in India. Q: What is the warranty and how do I get support? A: All products come with standard manufacturer warranty. For support, reach us at sem@semtrainers.com or call +91-88495 63724.
