## Replacement Chest Skin

**Item No.** LF03638U  
**MPN:** Nasco Healthcare, USA

[Read More](#)

**SKU:**

**Categories:**ALS Child

## Product Description

No electronics.

The Replacement Chest Skin for 1005658 (Item No. LF03638U) is a genuine spare part designed for the Life/form® Child CRiSis™ manikin used in ALS child training simulations. Manufactured by Nasco Healthcare, USA, this replacement chest skin features no electronics, making it a simple and straightforward component to replace when worn out from repeated CPR practice. It helps extend the lifespan of your training manikin and ensures continued realistic simulation for pediatric life support training.

**Q1. What is the Replacement Chest Skin used for?** It is a spare part used to replace the worn-out chest skin on the Life/form® Child CRiSis™ manikin, keeping it ready for continued pediatric ALS

training.

**Q2. Does this chest skin contain any electronics?** No, this replacement chest skin contains no electronics. It is a straightforward mechanical component for easy replacement.

**Q3. Which manikin is this compatible with?** This chest skin is compatible with the Life/form® Child CRiSis™ manikin (model 1005658), used in Advanced Life Support (ALS) child training.

**Q4. Who manufactures this product?** It is manufactured by Nasco Healthcare, USA, a globally trusted brand in medical simulation equipment.

**Q5. Where can I buy this in India?** You can enquire and purchase it through SEM Trainers at **+91-88495 63724** or **+91-98791 03905**, or visit [semtrainers.com](http://semtrainers.com).
