Categories:Premium

Product Description

ORTHO**bones** by [3B Scientific](#) are the best [artificial bones](#) on the market. Perfectly resembling genuine human bone in terms of form and characteristics, these high quality workshop models are being used by surgeons and medical engineers worldwide. These realistic bones are constructed to simulate the two distinct layers of [real human bones](#); the hard outer cortical shell and the softer inner cancellous

bone. The excellent biomechanical characteristics make these bones an exceptional value! The half pelvis bone is ideal for surgeons to practice procedures required for correcting [pelvic injuries](#) such as vertical shear fractures, lateral crush injuries and hip fractures. Medical devices can also be implanted and displayed for patient education.

ORTHObones® PREMIUM – Right Half-Pelvis, Male (1005119 [W19123] / MPN 0118R)

ORTHObones by 3B Scientific (Item No. 1005119 [W19123], MPN 0118R, 0.45 kg, 22×16×15 cm) are the best artificial bones on the market. Perfectly resembling genuine human bone in terms of form and characteristics, these high quality workshop models are being used by surgeons and medical engineers worldwide.

Realistic two-layer construction. These realistic bones are constructed to simulate the two distinct layers of real human bones: the hard outer cortical shell and the softer inner cancellous bone. The excellent biomechanical characteristics make these bones an exceptional value.

Ideal for pelvic fracture procedure practice. The half pelvis bone is ideal for surgeons to practice procedures required for correcting pelvic injuries such as vertical shear fractures, lateral crush injuries, and hip fractures. Medical devices can also be implanted and displayed for patient education.

Why Buy from SEM Trainers? SEM Trainers & Systems is an authorised distributor of 3B OrthoBones products in India with over 30 years of experience supplying medical education resources to 1,500+ institutions across 28 states. We provide pan-India delivery and dedicated after-sales support.

Frequently Asked Questions
