Product Description

The blood pressure cuff can be used with a range of different patient care training manikins. The Blood Pressure Cuff for Patient Care Training Manikins (Item No. 1019717 | MPN: LF01073U) is a genuine replacement and accessory blood pressure cuff manufactured by Nasco Healthcare, USA, designed for use with a range of Life/form® patient care training manikins. Weighing just 0.24 kg, this lightweight accessory enables nursing and healthcare trainees to practice blood pressure measurement techniques on compatible training manikins, adding a vital clinical nursing skill to patient care simulation sessions. It is an essential accessory for medical colleges, nursing institutes, and simulation labs focused on comprehensive patient care training.

Q1. What is the Blood Pressure Cuff for Patient Care Training Manikins used for? It is used to

practice blood pressure measurement techniques on compatible Life/form® patient care training manikins, helping nursing and healthcare trainees develop accurate BP assessment skills in a realistic simulation environment.

Q2. Which manikins is this blood pressure cuff compatible with? This cuff is designed for use with a range of Life/form® patient care training manikins. Please verify compatibility with your specific manikin model by contacting SEM Trainers before ordering.

Q3. Why is blood pressure training important in simulation? Blood pressure measurement is a fundamental clinical nursing skill. Practicing on a training manikin allows trainees to develop correct cuff placement, inflation, and auscultation techniques before working with real patients.

Q4. What is the weight of this product? The blood pressure cuff weighs 0.24 kg, making it lightweight and easy to attach and detach during training sessions.

Q5. Who manufactures this product? It is manufactured by Nasco Healthcare, USA — a globally trusted brand in medical simulation and patient care training equipment.

Q6. Who is this product ideal for? It is ideal for medical colleges, nursing institutes, patient care simulation labs, and healthcare training centers that use compatible Life/form® patient care training manikins and want to include blood pressure assessment as part of their nursing skills curriculum.

Q7. Where can I purchase this in India? You can enquire and order through SEM Trainers at **+91-88495 63724** or **+91-98791 03905**, or visit semtrainers.com.
