Product Description

for W44539 - 1005727, W44540, W44554 - 1018325 - CPR Water Rescue Manikin (adolescent), 121 cm, W44574 The 10 Mouth/Nose Pieces (Item No. 1018326 | MPN: PP02223U) is a genuine replacement accessory pack manufactured by Nasco Healthcare, USA, containing 10 mouth/nose pieces designed as hygienic replacements for use with Life/form® BLS manikins. Weighing 0.845 kg, this pack is compatible with the following manikin models: W44539 (1005727), W44540, W44554 (1018325 — CPR Water Rescue Manikin, Adolescent, 121 cm), and W44574. These disposable mouth/nose pieces are an essential consumable for medical training institutions, BLS certification centers, and simulation labs, ensuring safe and hygienic multi-trainee CPR and rescue breathing practice without the risk of cross-contamination.

Q1. What are the 10 Mouth/Nose Pieces used for? They are disposable replacement mouth/nose

pieces used to maintain hygiene during CPR and rescue breathing training on compatible Life/form® BLS manikins, allowing multiple trainees to practice safely without cross-contamination.

Q2. Which manikins are these mouth/nose pieces compatible with? These pieces are compatible with Life/form® BLS manikins W44539 (1005727), W44540, W44554 (1018325 — CPR Water Rescue Manikin, Adolescent, 121 cm), and W44574. Please verify compatibility with your specific model before ordering.

Q3. How many pieces are included in one pack? Each pack contains 10 mouth/nose pieces, providing ample supply for multiple training sessions and multi-trainee use.

Q4. Why should mouth/nose pieces be replaced regularly? Regular replacement of mouth/nose pieces is essential for maintaining hygiene and preventing cross-contamination between trainees during CPR and rescue breathing practice sessions, especially in group training environments.

Q5. Why is it important to use genuine replacement mouth/nose pieces? Using genuine Life/form® replacement pieces ensures a proper fit and seal on compatible manikins, maintaining the accuracy and realism of rescue breathing training without compromising hygiene or manikin performance.

Q6. Who manufactures this product? It is manufactured by Nasco Healthcare, USA — a globally trusted brand in medical simulation and BLS training equipment.

Q7. Who is this product ideal for? It is ideal for medical colleges, nursing institutes, BLS certification centers, emergency care training facilities, water rescue training programs, and simulation labs that use compatible Life/form® BLS manikins.

Q8. Where can I purchase this in India? You can enquire and order through SEM Trainers at **+91-88495 63724** or **+91-98791 03905**, or visit semtrainers.com.
