Product Description

Replacement adult airways for W44556 and W44588 The 10 Adult Airway Systems (Item No. 1005747 | MPN: 100-2507U) is a genuine replacement accessory pack manufactured by Nasco Healthcare, USA, containing 10 adult airway systems designed specifically as replacements for use with Life/form® BLS manikins — namely the W44556 and W44588 models. Weighing just 0.37 kg, this lightweight pack is an essential consumable for medical training institutions, BLS certification centers, and simulation labs that regularly conduct adult CPR and airway training sessions. Using genuine replacement airway systems ensures continued hygienic, realistic, and accurate training for multiple trainees across repeated sessions.

Q1. What are the 10 Adult Airway Systems used for? They are replacement airway systems used to maintain the functionality and hygiene of Life/form® adult BLS manikins, specifically the W44556 and

W44588 models, during CPR and airway management training sessions.

Q2. Which manikins are these airway systems compatible with? These adult airway systems are designed as genuine replacements for Life/form® BLS manikins W44556 and W44588. Please ensure compatibility with your specific manikin model before ordering.

Q3. How many airway systems are included in one pack? Each pack contains 10 adult airway systems, providing ample supply for multiple training sessions and multi-trainee use.

Q4. When should airway systems be replaced? Airway systems should be replaced when they show signs of wear, damage, or reduced performance during rescue breathing and ventilation training exercises, or after extended use across multiple trainees to maintain hygiene standards.

Q5. Why is it important to use genuine replacement airway systems? Using genuine Life/form® replacement airway systems ensures the manikin continues to perform as designed, maintaining training accuracy, realism, and hygiene without the risk of damage from incompatible components.

Q6. Who manufactures this product? It is manufactured by Nasco Healthcare, USA — a globally trusted brand in medical simulation and healthcare training equipment.

Q7. Who is this product ideal for? It is ideal for medical colleges, nursing institutes, BLS certification centers, emergency care training facilities, and simulation labs that regularly use Life/form® adult BLS manikins for CPR and airway training.

Q8. Where can I purchase this in India? You can enquire and order through SEM Trainers at **+91-88495 63724** or **+91-98791 03905**, or visit semtrainers.com.
