Product Description

for W44552 and W44597

Why Choose the 24 Adult Airway Systems for Your Simulation Lab in India?

The 24 Adult Airway Systems (Item No. 1005740 / W44559, MPN: 100-2805U / PP02805U / SB24899U) by Nasco Healthcare, USA is a 1.29 kg pack of 24 genuine OEM adult airway systems compatible with Nasco Healthcare manikins W44552 and W44597. The adult airway system is the disposable component that maintains a hygienic, uncontaminated ventilation pathway for each trainee during rescue breathing and CPR training on compatible adult manikins — replacing it between trainees or training days eliminates cross-contamination without requiring manikin disassembly or full

disinfection cycles between uses.

For BLS certification centres, nursing colleges, ACLS training centres, and hospital in-service programmes in India running regular adult CPR sessions with multiple trainees on the compatible W44552 or W44597 manikins, a 24-pack provides a practical working stock across multiple training sessions before reordering. The adult airway system is sized and dimensioned for adult manikin airways — not interchangeable with child or infant airway consumables. Only genuine OEM W44559 systems are guaranteed to fit the W44552 and W44597 manikin airway interfaces correctly, maintaining the correct seal and ventilation pathway that confirms effective rescue breathing technique during training. The related 10 Mouth/Nose Pieces (W44560) provide the compatible face interface consumable for the same manikin family — order both to maintain complete consumable coverage.

Why Buy from SEM Trainers? SEM Trainers & Systems is an authorized distributor of Nasco Healthcare products in India with over 30 years of experience supplying medical simulators and genuine OEM consumables to 1,500+ institutions across 28 states. We provide pan-India delivery and dedicated after-sales support. All products carry genuine manufacturer warranty.

Frequently Asked Questions

Q: Which manikins are these adult airway systems compatible with? A: This pack (1005740 / W44559) is compatible with Nasco Healthcare manikins W44552 and W44597. Confirm your manikin model before ordering — contact us if unsure.

Q: How many units are included? A: This pack includes 24 adult airway systems.

Q: What other consumables does this manikin family need? A: The companion face interface consumable is the 10 Mouth/Nose Pieces (W44560), available separately from SEM Trainers.
