Categories:BLS and CPR Accessories

Product Description

for W44106, W44107, W44108

Why Choose the 100 Lung/Mouth Protection Bags for Your Simulation Lab in India?

The 100 Lung/Mouth Protection Bags (Item No. 1005638 / W44109, MPN: LF03696U) by Nasco Healthcare, USA is a 0.27 kg pack of 100 genuine OEM replacement lung/mouth protection bags compatible with Life/form® manikins W44106, W44107, and W44108. The lung/mouth protection bag is the disposable hygiene barrier between the trainee and the manikin during rescue breathing practice — each bag is used once and replaced, ensuring a clean, uncontaminated ventilation pathway for every trainee in a group session without requiring manikin disassembly or full airway replacement between uses.

For BLS certification centres, nursing colleges, schools, and community CPR outreach programmes in India running regular group CPR sessions on the compatible W44106, W44107, or W44108 manikins, a 100-count pack provides a working consumable stock that covers many training sessions before reordering is required. The lung bag component also provides visible inflation feedback during rescue breathing — inflating when the trainee delivers an effective ventilation through the correct head tilt/chin lift position, and failing to inflate when airway positioning is incorrect — making it a functional training feedback element, not merely a hygiene accessory. Only genuine OEM W44109 bags are guaranteed to fit the compatible manikin interfaces correctly and maintain the ventilation pathway performance that rescue breathing training depends on.

Why Buy from SEM Trainers? SEM Trainers & Systems is an authorized distributor of Nasco Healthcare products in India with over 30 years of experience supplying medical simulators and genuine OEM consumables to 1,500+ institutions across 28 states. We provide pan-India delivery and dedicated after-sales support. All products carry genuine manufacturer warranty.

Frequently Asked Questions

Q: Which manikins are these lung/mouth protection bags compatible with? A: This pack (1005638 / W44109, MPN: LF03696U) is compatible with Life/form® manikins W44106, W44107, and W44108. Confirm your manikin model before ordering.

Q: How many bags are included? A: This pack includes 100 lung/mouth protection bags.

Q: How do I order and get support from SEM Trainers? A: Contact us at sem@semtrainers.com or call +91-88495 63724. We supply genuine Nasco Healthcare consumables with pan-India delivery.
