Product Description

for W44001, W44069 and W44070

Why Choose the 25 Sanitary Face Masks for Your Simulation Lab in India?

The 25 Sanitary Face Masks (Item No. 1005600 / W44024, MPN: LF03121U) by Nasco Healthcare, USA is a 1.28 kg pack of 25 genuine OEM sanitary face masks compatible with Life/form® manikins W44001, W44069, and W44070. The sanitary face mask is the hygiene barrier placed over the manikin's face during mouth-to-mouth rescue breathing practice — each trainee uses a fresh mask, preventing direct contact with the manikin's face surface and eliminating cross-contamination between trainees without requiring the manikin to be disinfected between each use.

For BLS and ALS certification centres, nursing colleges, hospital in-service programmes, and community CPR training in India running regular group sessions on the compatible W44001, W44069, or W44070 Life/form® manikins, a 25-count pack provides a practical consumable buffer across multiple training sessions before reordering. The sanitary face mask works in combination with the tracheal airway system (10 Tracheal Airways, W44025 / LF03122U) — the mask handles external face hygiene while the tracheal airway maintains internal airway pathway hygiene. Both consumables should be stocked together for complete hygienic coverage. Only genuine OEM W44024 masks are guaranteed to fit the W44001, W44069, and W44070 manikin face geometry correctly and maintain the proper seal for rescue breathing practice.

Why Buy from SEM Trainers? SEM Trainers & Systems is an authorized distributor of Nasco Healthcare products in India with over 30 years of experience supplying medical simulators and genuine OEM consumables to 1,500+ institutions across 28 states. We provide pan-India delivery and dedicated after-sales support. All products carry genuine manufacturer warranty.

Frequently Asked Questions

Q: Which manikins are these sanitary face masks compatible with? A: This pack (1005600 / W44024) is compatible with Life/form® manikins W44001, W44069, and W44070. Confirm your manikin model before ordering.

Q: What other consumables do these manikins need? A: The 10 Tracheal Airways (W44025 / LF03122U) maintains the internal airway pathway hygiene on the same manikins. Order both to maintain complete consumable coverage.

Q: How do I order and get support from SEM Trainers? A: Contact us at sem@semtrainers.com or call +91-88495 63724. We supply genuine Nasco Healthcare consumables with pan-India delivery.
