Product Description

Why Choose the Transport Bag with Mat for P72 BASICBilly™ for Your Simulation Lab in India?

The Transport Bag with Mat for P72 BASICBilly™ (Item No. 1018565 / XP72-019) by 3B Scientific,

Germany is a 0.626 kg purpose-built carrying bag with integrated training mat, designed specifically for the BASICBilly™ Adult CPR Manikin (P72 2.0 / P72/1 2.0). For BLS certification centres, nursing colleges, schools, and community CPR outreach programmes in India that transport BASICBilly™ manikins between training venues, this bag provides organised storage and a ready-to-use training mat in a single accessory.

The integrated mat means the manikin can be set up for floor-based CPR training immediately on arrival at a venue, without needing to source a separate kneeling mat or risk trainees practising directly on a bare floor. The bag is sized specifically for the BASICBilly™ family, ensuring a secure fit that protects the manikin's vinyl skin and internal mechanics during transport between training sessions. For schools, outreach programmes, and multi-venue BLS certification courses across India where the manikin travels regularly, this bag reduces setup time and protects the equipment investment over repeated handling cycles.

Why Buy from SEM Trainers? SEM Trainers & Systems is an authorized distributor of 3B Scientific products in India with over 30 years of experience supplying medical simulators to 1,500+ institutions across 28 states. We provide pan-India delivery and dedicated after-sales support.

Frequently Asked Questions

Q: Which manikins is this transport bag compatible with? A: The BASICBilly™ Adult CPR Manikin family — both the standard (P72 2.0) and dark skin tone (P72/1 2.0) variants by 3B Scientific.

Q: Does the bag include a training mat? A: Yes. The bag has an integrated mat, allowing immediate floor-based CPR training setup at any venue without a separate kneeling mat.

Q: How do I order from SEM Trainers? A: Contact us at sem@semtrainers.com or call +91-88495 63724 for pricing and availability.
