Categories:BLS and CPR Accessories

Product Description

The eLearning course provides you with the tools to deliver highly effective simulation-based education. It is designed to support you through all functions of SimPad -- from the basic, to more advanced simulation scenarios. With the help of Icon keys you easily navigate among a full range of eLearning topics. Software for 1013866 SimPad
The SimPad E-Learning Pack is a digital training accessory designed to complement the SimPad SkillReporter system, enabling healthcare trainees and institutions to extend their CPR and BLS learning beyond the classroom through structured e-learning modules. This pack provides a flexible, self-paced learning solution that can be used alongside hands-on manikin training, making it ideal for blended learning programs in medical colleges, nursing institutes, BLS certification centers, and

hospital training departments.

Q1. What is the SimPad E-Learning Pack used for? It is a digital learning solution designed to complement the SimPad SkillReporter system, providing structured e-learning modules for CPR and BLS training in a flexible, self-paced format.

Q2. Is this a standalone product or an add-on? The SimPad E-Learning Pack is designed to work alongside the SimPad SkillReporter (Item No. 1017707) as part of a complete blended learning solution combining digital theory with hands-on practical manikin training.

Q3. Who is this pack ideal for? It is ideal for medical colleges, nursing institutes, BLS and ALS certification training centers, and hospital training departments looking to incorporate digital e-learning into their CPR and life support training programs.

Q4. Where can I purchase this in India? You can enquire and order through SEM Trainers at **+91-88495 63724** or **+91-98791 03905**, or visit semtrainers.com.
