SKU:

Categories:BLS Child

Product Description

The PALS Infant Update Kit (Item No. 1019798 | MPN: LF03620U) is a genuine update and replacement kit designed to refresh and restore Life/form® infant manikins used for Pediatric Advanced Life Support (PALS) and Basic Life Support (BLS) child training. Manufactured by Nasco Healthcare, USA, this kit helps extend the life of your existing infant training manikin, ensuring it remains hygienic, functional, and ready for continued use in medical colleges, nursing institutes, pediatric departments, and simulation labs.

Q1. What is the PALS Infant Update Kit used for? It is used to update and restore Life/form® infant manikins used in Pediatric Advanced Life Support (PALS) and Basic Life Support (BLS) child training,

keeping the manikin hygienic and fully functional.

Q2. Which manikin is this kit compatible with? This update kit is designed for Life/form® infant manikins used in PALS and BLS child training programs. Please check compatibility with your specific manikin model before ordering.

Q3. Why should I use a genuine update kit instead of third-party parts? Using genuine Life/form® replacement and update kits ensures the manikin continues to perform as intended, maintaining training accuracy, hygiene, and longevity without the risk of damage from incompatible components.

Q4. Who manufactures this product? It is manufactured by Nasco Healthcare, USA — a globally trusted brand in medical simulation and healthcare training equipment.

Q5. Who is this kit ideal for? It is ideal for medical colleges, nursing institutes, pediatric simulation labs, PALS certification training centers, and emergency care training facilities that use Life/form® infant manikins.

Q6. Where can I purchase this in India? You can enquire and order through SEM Trainers at **+91-88495 63724** or **+91-98791 03905**, or visit semtrainers.com.
