**Categories:**BLS Child

### Product Description

CPR and trauma care simulator with an automatically accurate representation of a 1-year old child. It is a superb training tool for pediatric basic life support. The upper torso of the simulator has life-size lungs, heart and ribcage, molded in soft vinyl. The anatomy provides a realistic experience when

practicing cardiopulmonary resuscitation. Features:

- Fully articulating head and jaw with teeth and tongue
- Individual disposable airways
- Airway blocked when head is forward
- Easily accessible chest cavity with molded ribcage, lungs and heart
- Realistic chest rise
- Four arterial pulse points Comes with exercise suit, custom nylon carrying bag, and instruction manual.

Why Choose the CPR Patient Simulator with OMNI 1 Year Old for Your Simulation Lab in India? The CPR Patient Simulator with OMNI 1 Year Old from Gaumard is a trusted training tool used across simulation labs in India for hands-on pediatric CPR training practice. This simulator helps medical students and healthcare professionals build critical competencies in a safe, controlled environment — fully aligned with NMC and Indian Resuscitation Council (IRC) guidelines for BLS and emergency care training. Who Is This Simulator Ideal For? This product is recommended for medical colleges, nursing schools, corporate first-aid training programs, and hospitals conducting BLS/ACLS certification as per AHA/IRC guidelines. Whether you are setting up a new simulation lab or upgrading your existing facility, the CPR Patient Simulator with OMNI 1 Year Old offers an excellent balance of realism, durability, and training value. Why Buy from SEM Trainers? SEM Trainers is a leading supplier of medical manikins and simulators across India. Authorized Gaumard distributor in India. We provide complete support including pan-India delivery, on-site installation, faculty training workshops, and prompt after-sales maintenance. All our products carry genuine manufacturer warranty and meet ISO

9001 quality standards. Frequently Asked Questions Q: Is the CPR Patient Simulator with OMNI 1 Year Old compliant with NMC simulation lab requirements? A: Yes, this simulator supports the skill-based training competencies specified under NMC's CBME framework for Indian medical and nursing institutions. Q: Does SEM Trainers provide installation and training support? A: Absolutely. We offer on-site installation, hands-on demo sessions, and faculty orientation workshops for every product delivered, anywhere in India. Q: What is the warranty and how do I get support? A: All products come with standard manufacturer warranty. For support, reach us at [sem@semtrainers.com](mailto:sem@semtrainers.com) or call +91-88495 63724.
