Product Description

The clinical skills training manikin is for in-hospital infant professionals. Nursing Baby is an infant manikin designed for scenario-based training of the care and management of a variety of infant in-

hospital patients. Possible training includes:

- sounds auscultation
- IV and IO skills
- fontanelle assessment
- urinary catheterization
- general pediatric patient care

This infant is unrivaled for clinical training in core pediatric in-hospital clinical skills. **SimPad Plus System and LLEAP Software Required.** Product benefits include:

- Educationally effective for training of in-hospital infant skills
- Pre-programmed scenarios provide standardized training while customizable scenarios
- real time instructor control allows adaptation to meet individual students needs
- Effective education in the special care of infant patients
- Economical and educationally efficient skills and scenario based trainer for care and
- management of a variety of common and uncommon in-hospital infant patients in multiple clinical settings and hospital transport
- Durable, rugged and lifelike; made to withstand years of use
- Normal, bulging and depressed fontanelles for assessment and diagnosis
- Head with anatomical landmarks, trachea and esophagus along with simulated lungs
- stomach allows the practice of many procedures, including NG, OG, tracheal care
- suctioning
- Bilateral deltoid and bilateral thigh intramuscular injections are possible
- Articulating IV arm and IV leg allows for practice of IV cannulation, medication, administration, site care and maintenance
- Medication and fluid administration through intraosseous infusion allowed via tibia
- access with landmarks at the tibial tuberosity and medial malleolus
- Gastrostomy tube opening for care and feeding
- Presents normal and abnormal heart, breath, and bowel sounds for auscultation
- Interchangeable genitalia allows for urinary catheterization with fluid return
- rectal temperature simulation, and administration of suppositories
- Pre-programmed scenarios aid educators in standardizing teaching

Supplied with: Full-Body Infant Manikin, 3 Simulated Rectal Suppositories, Manikin Lubricant, Baby Pants, Simulated Blood, Carry Case, Directions for Use. Why Choose the Nursing Baby SimPad Capable for Your Simulation Lab in India? The Nursing Baby SimPad Capable from Laerdal is a trusted training tool used across simulation labs in India for hands-on neonatal nursing practice. This simulator helps medical students and healthcare professionals build critical competencies in a safe, controlled environment — fully aligned with Indian Nursing Council (INC) and NMC skill-lab requirements for nursing education programs. Who Is This Simulator Ideal For? This product is recommended for nursing colleges, BSc and GNM training institutions, hospital in-service training departments, and skill

labs focusing on patient care competencies. Whether you are setting up a new simulation lab or upgrading your existing facility, the Nursing Baby SimPad Capable offers an excellent balance of realism, durability, and training value. Why Buy from SEM Trainers? SEM Trainers is a leading supplier of medical manikins and simulators across India. Authorized Laerdal distributor in India. We provide complete support including pan-India delivery, on-site installation, faculty training workshops, and prompt after-sales maintenance. All our products carry genuine manufacturer warranty and meet ISO 9001 quality standards. Frequently Asked Questions Q: Is the Nursing Baby SimPad Capable compliant with NMC simulation lab requirements? A: Yes, this simulator supports the skill-based training competencies specified under NMC's CBME framework for Indian medical and nursing institutions. Q: Does SEM Trainers provide installation and training support? A: Absolutely. We offer on-site installation, hands-on demo sessions, and faculty orientation workshops for every product delivered, anywhere in India. Q: What is the warranty and how do I get support? A: All products come with standard manufacturer warranty. For support, reach us at sem@semtrainers.com or call +91-88495 63724.
