Categories: Ear, [Nose and Throat Examination](#)

Product Description

Developing diagnostic skills in otoscopy is challenging for all learners - OtoSim 2™ brings verifiable learning to otoscopy training. The tracked otoscope interacts with a library of normal ear anatomy as well as hundreds of pathologies. By using OtoSim 2™, students can be trained in diagnosing and treating ear pathologies. The software includes 380 high-resolution images from the Hawke Library which give many possibilities to instruct, practice, and test their otoscopic diagnostic skills. **OtoSim 2™ content and skills features include:**

- Instrument Use
- Feature Identification
- Pathology
- External Auditory Canal - Acute Otitis Externa, Cerumen, Foreign Bodies, and more
- Middle Ear - Normal Tympanic Membrane, Temporal Bone Fractures, Acute Otitis Media, Serous Otitis Media, Tympanocentesis, Myringotomy, and more
- Self-Examination and Anatomy Examination (advanced quizzes with randomized, realistic clinical scenarios)
- Pneumatic Otoscopy - Simulated slides to enhance students' pneumatic otoscopy skills (available with purchase of PneumatoSim™ [1021952](#))

Why Choose the OtoSim 2 Otoscopy Training for Your Simulation Lab in India? The OtoSim 2 Otoscopy Training from OtoSim is a trusted training tool used across simulation labs in India for hands-on otoscopy training practice. This simulator helps medical students and healthcare professionals build critical competencies in a safe, controlled environment — fully aligned with NMC's Competency-Based Medical Education (CBME) guidelines for mandatory clinical skills training. Who Is This Simulator Ideal For? This product is recommended for medical colleges setting up OSCE stations, nursing institutions, and hospitals building clinical skills laboratories as per NMC guidelines. Whether you are setting up a new simulation lab or upgrading your existing facility, the OtoSim 2 Otoscopy Training offers an excellent balance of realism, durability, and training value. Why Buy from SEM Trainers? SEM Trainers

is a leading supplier of medical manikins and simulators across India. Authorized OtoSim distributor in India. We provide complete support including pan-India delivery, on-site installation, faculty training workshops, and prompt after-sales maintenance. All our products carry genuine manufacturer warranty and meet ISO 9001 quality standards. Frequently Asked Questions Q: Is the OtoSim 2 Otoscopy Training compliant with NMC simulation lab requirements? A: Yes, this simulator supports the skill-based training competencies specified under NMC's CBME framework for Indian medical and nursing institutions. Q: Does SEM Trainers provide installation and training support? A: Absolutely. We offer on-site installation, hands-on demo sessions, and faculty orientation workshops for every product delivered, anywhere in India. Q: What is the warranty and how do I get support? A: All products come with standard manufacturer warranty. For support, reach us at sem@semtrainers.com or call +91-88495 63724.
