Product Description

The T12 Soft is a complete Laparoscopic Trainer minimally invasive training system that does not require video equipment, simple to set up and portable. The soft skin is 15mm thick to practice

placement and insertion of trochars. The T12 Soft includes

- Insufflated *Belly
- Monitor Stand (monitor not included)
- Advanced 0° SimScope™ (camera is a NTSC signal)
- Scope Holder.

The Belly has a slide-out drawer, interior lighting and 9 ports. The Advanced 0° SimScope™ has excellent resolution; Easy-to-Adjust Focus is located at the end of the shaft. Diameter Measures 9.5mm, Length 220mm. The T12 Series is designed to be used for team training as well as a one-person work station. Why Choose the T12 Soft Laparoscopic Trainer 240V for Your Simulation Lab in India? The T12 Soft Laparoscopic Trainer 240V from 3B Scientific is a trusted training tool used across simulation labs in India for hands-on laparoscopic skills training practice. This simulator helps medical students and healthcare professionals build critical competencies in a safe, controlled environment — fully aligned with NMC's CBME requirements for surgical skills training and competency assessment. Who Is This Simulator Ideal For? This product is recommended for surgical skill labs, minimal access surgery training centers, and medical colleges offering hands-on laparoscopic and endoscopic training workshops. Whether you are setting up a new simulation lab or upgrading your existing facility, the T12 Soft Laparoscopic Trainer 240V offers an excellent balance of realism, durability, and training value. Why Buy from SEM Trainers? SEM Trainers is a leading supplier of medical manikins and simulators across India. Authorized 3B Scientific distributor in India. We provide complete support including pan-India delivery, on-site installation, faculty training workshops, and prompt after-sales maintenance. All our products carry genuine manufacturer warranty and meet ISO 9001 quality standards. Frequently Asked Questions Q: Is the T12 Soft Laparoscopic Trainer 240V compliant with NMC simulation lab requirements? A: Yes, this simulator supports the skill-based training competencies specified under NMC's CBME framework for Indian medical and nursing institutions. Q: Does SEM Trainers provide installation and training support? A: Absolutely. We offer on-site installation, hands-on demo sessions, and faculty orientation workshops for every product delivered, anywhere in India. Q: What is the warranty and how do I get support? A: All products come with standard manufacturer warranty. For support, reach us at sem@semtrainers.com or call +91-88495 63724.
