Product Description

The NEW T3 PLUS, like the original, is a complete minimally invasive training system that does not require video equipment, is simple to set up and is portable. It has a joystick camera that zooms and rotates.

The expanded front provides room for a wider selection of skill inserts. The T3 PLUS includes the redesigned pelvic box + SimScope™ (camera) + 10” monitor. The T3 PLUS now provides a more

versatile one-person laparoscopic skill training workstation.
