Artificial Blood, 1 litre

Item No. LF00845U

Weight 0.08kg

Make: Nasco Healthcare, USA

[Read More](#)

SKU:

Categories: Moulage and Wound Simulation

Product Description

Although not the same viscosity as real blood, Life/form® simulation blood provides a sense of reality to any activity. For use with Life/form® Advanced Venipuncture and Injection Arm (W44216, W44217); Life/form® Venipuncture and Injection Demonstration Arm (number available upon request); Deluxe IV Training Arm (number available upon request); Venipuncture Training Arm (number available upon request); Life/form® Pediatric Arm (W44715); Life/form® Pediatric Head (W44101); Life/form® Central Venous Cannulation Simulator (W44017); Heart Catheterization Simulator for Total Parenteral Nutrition and Central Venous Catheterization (W44015); and Life/form® First Aid Arm (W44733).

Artificial Blood, 1 Litre (Nasco Healthcare Life/form®) for Moulage & Clinical Training in India

Life/form® Simulation Blood (Item No. LF00845U, Brand: Nasco Healthcare, USA) adds a realistic sense of blood loss to clinical and moulage training exercises. While it doesn't match the viscosity of real blood, it delivers the visual realism needed for effective simulation across a wide range of training equipment.

This 1-litre bottle is compatible with the Life/form® Advanced Venipuncture and Injection Arm, Life/form® Venipuncture and Injection Demonstration Arm, Deluxe IV Training Arm, Venipuncture Training Arm, Life/form® Pediatric Arm, Life/form® Pediatric Head, Life/form® Central Venous Cannulation Simulator, Heart Catheterization Simulator for Total Parenteral Nutrition and Central Venous Catheterization, and Life/form® First Aid Arm.

Specifications: Volume 1 litre. Weight to be confirmed (see note). Brand: Nasco Healthcare, USA.

Why Buy from SEM Trainers? SEM Trainers & Systems is an authorized distributor of Nasco Healthcare Life/form® products in India with over 30 years of experience supplying clinical skills and moulage training equipment to 1,500+ institutions across 28 states. We provide pan-India delivery and dedicated after-sales support.

FAQ Q: What is this product used for? **A:** Simulating realistic blood loss during clinical skills and moulage training, compatible with a range of Life/form® venipuncture, IV, cannulation, and first aid training equipment.

Q: Does it match the viscosity of real blood? **A:** No — it's not the same viscosity as real blood, but it provides the visual realism needed for training scenarios.

Q: How do I order from SEM Trainers? **A:** Contact sem@semtrainers.com or call +91-88495 63724 for pricing and availability.
