Why Choose the Simple Susie Patient Care Simulator Female for Your Simulation Lab in India? The Simple Susie Patient Care Simulator Female from Gaumard is a trusted training tool used across simulation labs in India for hands-on female patient care practice. This simulator helps medical students and healthcare professionals build critical competencies in a safe, controlled environment — fully aligned with Indian Nursing Council (INC) and NMC skill-lab requirements for nursing education programs. Who Is This Simulator Ideal For? This product is recommended for nursing colleges, BSc and GNM training institutions, hospital in-service training departments, and skill labs focusing on patient care competencies. Whether you are setting up a new simulation lab or upgrading your existing facility, the Simple Susie Patient Care Simulator Female offers an excellent balance of realism, durability, and training value. Why Buy from SEM Trainers? SEM Trainers is a leading supplier of

medical manikins and simulators across India. Authorized Gaumard distributor in India. We provide complete support including pan-India delivery, on-site installation, faculty training workshops, and prompt after-sales maintenance. All our products carry genuine manufacturer warranty and meet ISO 9001 quality standards. Frequently Asked Questions Q: Is the Simple Susie Patient Care Simulator Female compliant with NMC simulation lab requirements? A: Yes, this simulator supports the skill-based training competencies specified under NMC's CBME framework for Indian medical and nursing institutions. Q: Does SEM Trainers provide installation and training support? A: Absolutely. We offer on-site installation, hands-on demo sessions, and faculty orientation workshops for every product delivered, anywhere in India. Q: What is the warranty and how do I get support? A: All products come with standard manufacturer warranty. For support, reach us at sem@semtrainers.com or call +91-88495 63724.
