Product Description

A simple and very effective tactile trainer has been developed to make a Lumps and Bumps Box. The trainer is ideal for juniors getting to grips with their sense of touch and to understand the basic art of description about the feeling through gentle palpation.

- The trainer can be lap held
- placed on a smooth surface where strong sucker feet provide stability while in use
- Can be varied and customised to suit individual needs.

Lumps and Bumps Box — Tactile Palpation Trainer for India

The Lumps and Bumps Box (Item No. 1005164 [W19345], MPN LBB100) is a simple, effective tactile
