Product Description

Designed to introduce patients, students, and nurses to the essentials of CAPD procedures and care. The realistic Life/form® torso offers a realistic method to demonstrate and practice peritoneal dialysis. Success with CAPD is dependent on the patient's following dialysis procedures with extreme care. This Life/form® simulator gives the patient an opportunity to gain the confidence necessary for prolonged success with CAPD. Complete with indwelling Tenckhoff catheter in a hard storage case. Dialysis materials not included.
