Product Description

The Life/Form Geri/KERi optional Pressure Ulcer Foot is great at reinforcing that pressure ulcers are more likely to appear on pressure points such as heels, tips of toes, between toes, or anywhere the bones may protrude and rub against socks, shoes or bedsheets. The pressure ulcer foot contains all four severities of stages 1-4. Easily attaches to any Geri or KERi Patient Care Manikin and includes an instruction key card.

GERi and KERi Pressure Ulcer Foot (LF04041U)

The Life/form® GERi/KERi Optional Pressure Ulcer Foot (Item No. LF04041U) by Nasco Healthcare, USA reinforces where pressure ulcers are most likely to appear — pressure points such as the heels, tips of toes, between toes, or anywhere bones may protrude and rub against socks, shoes, or

bedsheets.

All four severity stages in one attachment. The pressure ulcer foot contains all four severities, stages 1 through 4, giving trainees a full range of pressure ulcer presentations to assess and treat.

Easily attaches to GERi™ or KERi™ manikins. The foot easily attaches to any GERi or KERi Patient Care Manikin, and comes with an instruction key card for reference.

Why Buy from SEM Trainers? SEM Trainers & Systems is an authorised distributor of Nasco Healthcare products in India with over 30 years of experience supplying medical education resources to 1,500+ institutions across 28 states. We provide pan-India delivery and dedicated after-sales support.

Frequently Asked Questions
