Product Description

IV Skin & Vein Replacement Kit for GERi™ (1019742 / LF04081U)

The IV Skin & Vein Replacement Kit (Item No. 1019742, MPN LF04081U) is a component replacement kit for the GERi™ Nursing Skills Manikin's IV training arm.

Keep your IV training arm fully functional. As the IV arm's skin and veins wear out through repeated catheterization and injection practice, this replacement kit lets institutions restore realistic tactile feedback without replacing the full manikin.

Why Buy from SEM Trainers? SEM Trainers & Systems has over 30 years of experience supplying

medical education resources to 1,500+ institutions across 28 states. We provide pan-India delivery and dedicated after-sales support.
