SKU:

Categories: Geriatric Patient Care

Product Description

This wound kit offers a highly detailed variety of diseases, pressure and surgically induced wounds to assist practitioners in understanding the treatment of their patients. Whether the practitioners' education includes clinical nurse training, certified nursing assistant training, surgical technician, or pre-hospital disciplines, it is beneficial to visualize the problems that arise in caring for these wounds. The kit comes with a spray container of odors including sweat and vomit. Comes with 13 wounds and makeup accessories, all packaged in a sturdy carrying case for ease of storage and transport.

Nursing Care Wound Kit for GERi™/KERi™ Nursing Manikins (1017984 [W44784] / 800-650U / PP00650U / SB48077U)

This wound kit (Item No. 1017984 [W44784], 5 kg) offers a highly detailed variety of disease, pressure,

and surgically induced wounds to help practitioners understand the treatment of their patients.

Valuable across a range of clinical training programs. Whether the practitioner's education includes clinical nurse training, certified nursing assistant training, surgical technician training, or pre-hospital disciplines, it's beneficial to visualize the problems that arise in caring for these wounds.

Adds realistic sensory detail. The kit comes with a spray container of odors, including sweat and vomit, for a more complete training experience.

Comes complete with: 13 wounds and makeup accessories, all packaged in a sturdy carrying case for ease of storage and transport.

Why Buy from SEM Trainers? SEM Trainers & Systems has over 30 years of experience supplying medical education resources to 1,500+ institutions across 28 states. We provide pan-India delivery and dedicated after-sales support.
