Why Choose the KERi Basic Manikin for Your Simulation Lab in India? The KERi Basic Manikin from Nasco Healthcare is a trusted training tool used across simulation labs in India for hands-on basic nursing skills practice. This simulator helps medical students and healthcare professionals build critical competencies in a safe, controlled environment — fully aligned with Indian Nursing Council (INC) and NMC skill-lab requirements for nursing education programs. Who Is This Simulator Ideal For? This product is recommended for nursing colleges, BSc and GNM training institutions, hospital in-service training departments, and skill labs focusing on patient care competencies. Whether you are setting up a new simulation lab or upgrading your existing facility, the KERi Basic Manikin offers an excellent balance of realism, durability, and training value. Why Buy from SEM Trainers? SEM Trainers is a leading supplier of medical manikins and simulators across India. Authorized Nasco Healthcare distributor in India. We provide complete support including pan-India delivery, on-site installation, faculty training workshops, and prompt after-sales maintenance. All our products carry genuine manufacturer warranty and meet ISO 9001 quality standards. Frequently Asked Questions Q: Is the KERi Basic Manikin compliant with NMC simulation lab requirements? A: Yes, this simulator supports the skill-based training competencies specified under NMC’s CBME framework for Indian medical and nursing institutions. Q: Does SEM Trainers provide installation and training support? A: Absolutely. We offer on-site installation, hands-on demo sessions, and faculty orientation workshops for every product delivered, anywhere in India. Q: What is the warranty and how do I get support? A: All products come with standard manufacturer warranty. For support, reach us at sem@semtrainers.com or call +91-88495 63724.
