Why Buy from SEM Trainers? SEM Trainers & Systems has over 30 years of experience supplying neonatal and baby care training equipment to 1,500+ institutions across 28 Indian states, with pan-India delivery and dedicated after-sales support.

FAQ Q: What skills can be taught with this model? **A:** Diaper changing, feeding and medicine administration, urine specimen collection, dressing/undressing, safe handling and positioning, hygiene care, rectal temperature taking, and fontanelle/testicle examination.

Q: How does the "incorrect holding" feedback work? **A:** The head tilts backward if the baby is held incorrectly, giving trainees immediate, realistic feedback on proper support technique.

Q: How do I order from SEM Trainers? A: Contact sem@semtrainers.com or call +91-88495 63724 for pricing and availability.
