Product Description

The patient care and nursing skills training manikin GERi™ has an **elderly** appearance with skin wrinkles and folds. It offers a complete life-like range of motion for realistic patient positioning, and non-pinching joints - truly moves like a person. The manikin is lightweight and simulates a full-size adult, with an overall female appearance. It easily converts to a male with removal of the wig and attachment of the male genitalia. Visual Inspection: • Normal and Cancerous Mole • Stage 1 Sacral Ulcer • Dilated and Constricted pupils • Reddened Skin Folds **You can practice the following patient care and nursing procedures:** • Bandaging and Wound Dressing • Bed Baths • Clothing Changes • Denture Placement and Removal, Upper and Lower • Ear Canal Irrigation, Otic Drops, and Hearing Aid Placement • Eye Irrigation • Finger and Toe Manipulation with Bandaging - Flexible and Individually Molded • Hair Care Washing and Combing • Intramuscular Injection Sites: Arm, Thigh, Buttock • Oral and Nasal Hygiene: Lavage, Gavage, and Suctioning • Ostomy Care: Ileostomy and Colostomy Tissue

• Maintenance and Appliance Application, Lavage, and Suctioning • Patient Positioning • Patient Transfer Techniques • Pericare • Tracheostomy Care, Lavage and Suctioning **In addition to the [basic version](#), the Complete GERi™ Manikin also offers the following skill training:** • Gastrostomy Procedures, Lavage and Gavage • Enema Administration, Female Only • Urinary Catheterization, Female and Uncircumcised Male • Pap Smears and Douching • Prostate Exam, Stage B • Nasogastric Tube Placement • Internal Fluid Reservoirs Ideal for OBRA Required Training. The manikin is delivered with:

GERi™ Complete Nursing Skills Manikin (LF04001U)

The GERi™ Complete Nursing Skills Manikin (Item No. LF04001U, 12.261 kg, 94×52×28 cm) by Nasco Healthcare, USA has an elderly appearance with realistic skin wrinkles and folds, offering a complete lifelike range of motion for realistic patient positioning, with non-pinching joints that truly move like a person.

A true full-size, lightweight adult manikin with an overall female appearance that easily converts to male with removal of the wig and attachment of male genitalia.

Visual inspection findings built right in: normal and cancerous mole, a stage 1 sacral ulcer, dilated and constricted pupils, and reddened skin folds.

A comprehensive range of patient care and nursing procedures, including bandaging and wound dressing, bed baths, clothing changes, denture placement and removal (upper and lower), ear canal irrigation with otic drops and hearing aid placement, eye irrigation, finger and toe manipulation with bandaging, hair care, intramuscular injection sites (arm, thigh, buttock), oral and nasal hygiene (lavage, gavage, suctioning), ostomy care (ileostomy and colostomy tissue) with appliance maintenance, patient positioning and transfer techniques, pericare, and tracheostomy care.

Beyond the Basic tier, this Complete GERi™ adds: gastrostomy procedures with lavage and gavage, enema administration (female only), urinary catheterization (female and uncircumcised male), pap smears and douching, prostate exam (Stage B), nasogastric tube placement, and internal fluid reservoirs.

Ideal for OBRA-required training.

Delivered complete with: male and female genitalia, wig, dentures, hearing aid, 12cc syringe, lubricant spray, fluid drainage basin, stomach reservoir bag, bladder reservoir bag, bladder reservoir

pressure sleeve, 16 FR Foley silicone catheter, 140cc syringe, and enema reservoir bag — delivered in a storage carton. Note: carry case not included.

Part of a tiered GERi™/KERi™ family. This Complete tier builds on the Basic tier's skin care, bandaging, and ostomy skills by adding gastrostomy, urinary catheterization, pap smears, prostate exam, and NG tube placement. The Advanced tier further adds IV insertion and blood pressure monitoring, while the Auscultation tier focuses on heart and lung sound recognition.

Why Buy from SEM Trainers? SEM Trainers & Systems is an authorised distributor of Nasco Healthcare products in India with over 30 years of experience supplying medical education resources to 1,500+ institutions across 28 states. We provide pan-India delivery and dedicated after-sales support.

Frequently Asked Questions

Q: What does the Complete tier add over the Basic GERi™? A: Gastrostomy procedures, enema administration, urinary catheterization, pap smears and douching, prostate exam, nasogastric tube placement, and internal fluid reservoirs.

Q: Does it come with a carry case? A: No — the carry case (item number W44662) is not included and must be purchased separately.
