Ostomy Care Model (1005570 [W43027])

The Ostomy Care Model (Item No. 1005570 [W43027], 4.55 kg, 33×46 cm) by WRS Group is made of lifelike BIOLIKE 2™ material, with this life-size model containing four stomas that can be lubricated and dilated with an inserted finger.

Built for realistic, repeatable practice. The model may be washed, taped, bandaged, and fitted with

ostomy bags, letting trainees practice the full range of hands-on ostomy care procedures repeatedly without degrading the model.

Comes ready for training, including lubricant and a draping sheet, all supplied in a carrying case measuring 13" × 18" × 3".

Why Buy from SEM Trainers? SEM Trainers & Systems has over 30 years of experience supplying medical education resources to 1,500+ institutions across 28 states. We provide pan-India delivery and dedicated after-sales support.

Frequently Asked Questions

Q: How many stomas does this model have? A: Four, each of which can be lubricated and dilated with an inserted finger.

Q: What's included? A: Lubricant, a draping sheet, and a carrying case (13" × 18" × 3").

Q: Can the model be washed and reused? A: Yes — it can be washed, taped, bandaged, and fitted with ostomy bags repeatedly.
